Take Control

New Year - New Resolutions - New You

Another New Year and another time when we start off with thoughts of making changes in our lives, whether it be dieting to lose weight, joining a gym to get our fitness levels up or improve our career prospects by embarking on a programme of learning. It's this latter idea with which we can help.

For a 3 week period starting 4th January, around the county lots of **Take Control Events** are taking place. For its part, Canolfan Maerdy will be holding some IT taster sessions (completely free) to get you clued up on the computer. If interested, contact Joanne Harries on 01269 826893 let her know your particular needs and availability —whether its basic computing, email and internet, managing files and folders, etc and we'll try to arrange a session to suit you.

Neath Port Talbot Credit Union Mobile Banking is here!

The Mobile Office will now be parked up in our car park each Wednesday from 2.15 - 3.00 p.m.

Banking on your doorstep - you can't get more convenient than that.

The most flexible way to learn. Enrol on a **LearnDirect** course at Tairgwaith, and you can work through it at any time, at your own pace, on any computer you have access to, but in the knowledge that when you need additional help you can pop along on a Tuesday morning between 10.00 a.m. and 12.00 noon for that extra guidance and mentoring you may need.

LearnDirect has a wide choice of courses: why not get your name down now? Unemployed? There are free courses on Job Seeking Skills which could be invaluable for you.
