Employment Support Services

If you, or someone you know, is long-term unemployed and looking for work, and/or needs training to improve job prospects, take that first step now to get your new life into gear by making an appointment to see Louise Ashill, our Employment Support Worker (Room 101):

Our Employment Support Service has now been running successfully for six months and many clients have been placed into work. Sometimes, however, two heads are better than one and can increase your job prospects. So, why not double your chances of finding work, and come along for a meeting with one of our partnership organisations, Workways whose clients are potential employer companies looking for staff.

From Monday, 15th November 2010, Workways will be holding Employment Surgeries every other Monday in Room 107 to give that extra help to get back into the work arena. Contact Louise for details. Act now and the New Year really could be the changing point of your life!

Louise Ashill on 01269 826893 / esw@canolfanmaerdy.co.uk

Lots Of Tots Day Nursery

Our Nursery provides a fully bilingual childcare service, is registered for 40 children from 3 months to 11 years. Pick up to and from local schools is one of the services that we provide for the older children.

We presently have vacancies for infants up to 2 years of age and also within the 2 - 5 year age group. Why not contact Kathryn Lewis on 01269 826283 for an informal chat to discuss your requirements, or to arrange to have a look round the Nursery and answer any questions you may have about childcare.

November/December 2010

Lifelong Learning Service
Gwasanaeth Dysgu Gyddol Oes

Canolfan Maerdy is in festive mood!

Not only is Christmas fast approaching but, before that date, on Wednesday, 8th December to be precise, we will be celebrating our second birthday.

We would like to give thanks to all our clients, students, tutors, partnership

organisations, parents, suppliers and most importantly every single member of our staff and volunteers, for supporting us in these first two formative years.

Christmas Lunches:

Our Café will be serving **Christmas lunches** from Monday, 13th December up to Tuesday, 21st (weekends not included) between 12.00 noon and 2.00 p.m. We have two menus on offer - a 2-course meal at £9.99 per head or a 3-course meal for £12.95.

Copies of the Menu are on display in the Café and bookings are being taken now. As we have limited space, please book early to avoid disappointment. Please note, however, that full payment must be made at time of booking.

For those wishing to have the 3-course meal, we would ask that you confirm your choice of starter and main course a week before your booking.

Make your booking directly with Gwenda or with Mel. Receipts will be given for all bookings made.

Christmas Holidays:

We will be closing for the Christmas Holidays at 12.00 noon on Thursday, 23rd December, with offices re-opening at 9.00 a.m. on Tuesday, 4th January 2011. However, the crèche will remain open until 6.00 pm, re-opening at its usual time of 7.45 a.m.

January 2011: A New Year, time for Resolutions and new beginnings. Why not put your name down for one of our **Computer Taster Sessions!**

To be run on Mondays, for just 3 hours, these Tasters are completely free, though a £5 deposit (**refundable** on course day) is required at time of booking. Subjects to be covered are:

- ***Introduction to the Internet & Email**
- ***Introduction to the Computer - Absolute Beginners**
- ***Introduction to Desktop Publishing**
- ***Working with Office 2007 or 2010 (you will need to bring your own laptops for these sessions)**

As 8 people are needed to run each session, the sooner you get your name down, the sooner we can get going.

New Year **New Term**
