Enterprise Club

We are proud to be a part of this exciting and unique Enterprise in the Valleys project. Basically, whether you are in work, unemployed, retired, or whatever your work status if you are wondering what it takes to become self employed, a friendly and informal chat with the team could inspire you to take that first step towards being your own boss.

The Enterprise Club runs regularly on the last Tuesday of each month, from 11.30 to 13.30 hours. Completely free, no appointment needed, just drop in and have a chat over a cuppa, and see if it could be for you.

For instance, those of you on our Jewellery Course, would you like to sell some of the items you make? That's what self employment is all about—let the Enterprise Team help you on your way.

The Canolfan Café

Whatever your reason for coming to Canolfan Maerdy, no visit would be complete without popping into the café.

If you haven't had a taste of our café yet, it's well worth a visit.
